ABOVE: RV EcoLite 1000 twin drawers and the RV Half Cargo Barrier fitted to the venerable Landcruiser 200 Series.

RV EcoLite® TWIN DRAWER SYSTEMS

RV EcoLite® STORAGE SOLUTIONS

With rugged all-steel construction, our EcoLite drawers will keep your gear neat and organised for many years to come, with no rattles or clanks.

We have been making drawer systems for 25 years and supplying the industry for just as long.

Using construction methods only seen in the Aeronautical industry to date, we have designed a smart, light and tough, full steel roller bearing twin drawer storage system that's also light on the hip pocket, a winner all round!

Plus it's made right here in Australia by the Oliver family who have been making storage systems for almost 25 years.

The RV EcoLite® storage system is also smart !!!
All of the RV Premium® accessories such as fridge slides, cargo barriers, top shelf combos, child restraints etc, are available for and will fit to RV EcoLite®.

ECOLITE WARRANTY: 3 YEARS
– RV Authorised Dealer fitted.

RV EcoLite® TWIN DRAWER SYSTEMS

RV EcoLite® STORAGE SOLUTIONS

An exciting new drawer system from RV Storage Solutions.

We have been making the indestructible RV Premium® range of drawer systems for many years but realise the need in the market place for a more economical range of drawer systems with a lighter footprint.

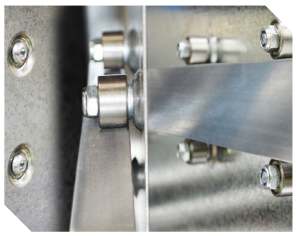
New vehicles demand a lighter payload but consumers still want a robust and tough storage solution.

Well that unique combination is now available!!!
RV EcoLite® is here.

Using construction methods only seen in the Aeronautical industry to date, we have designed a smart, light and tough, full steel roller bearing twin drawer storage system, that's also light on the hip pocket.

Features in the RV EcoLite® include:

- Carpet lined Cross braced drawers
- Fully carpeted drawer fronts
- Sealed double row roller bearing on stainless steel action
- Interchangeable wing kits
- Full 18mm thick floor with UV friendly carpet
- Safety finger gap when drawer is closed
- Fridge slide ready floor points



LEFT: Full width sealed stainless steel bearings and runners, the same as our Premium drawers.

3 YEAR* WARRANTY
RV Authorised Dealer fitted

1 YEAR* WARRANTLY

Quality Vehicle Accessories

ABOVE: RV EcoLite 1400 twin modules with Van Racking fitted with optional accessories including RV Racking Door, Fischer Tubs, RV Cable Roll Holder and Fire Extinguisher.

RV ECOLITE® VAN RACKING

BEST VALUE QUALITY RACKING ON THE MARKET

Our ECOLITE flat pack van racking is both economical and light. While it is similar in use to what's out there in the market place the difference is it has more robust design, hem folding for strength and safety and comes with quality fittings and instructions.

They are suitable for Fischer plastic bins.

NEW OPTIONAL DOORS & CABLE ROLL HOLDER

The NEW universal Lockable Door Panel for our flat pack Van Racking features locks and hinges which are of high quality.

The door is made to fit the standard shelf opening of 200mm. It features a channel folded edge for strength. It can be used on any level shelf or in multiple shelves.

A Cable Roll Holder is also available to fit our Van Racking frame. Made of galvanised steel and comes with all hardware for fitting.

VAN RACKING KIT *Assembly required.*
RRP $549.00 each incl. GST
P/N: EL-RA1612-00
SIZE O/D: *W1060 x H1200 x D410mm*
KIT HAS 4 SHELVES - SIZES (ID):
Top shelf - W1020 x D230 x H40mm
2nd shelf - W1020 x D303 x H40mm
3rd & 4th - W1020 x D400 x H40mm

DOOR KIT *Assembly required.*
RRP $129.00 each incl. GST
P/N: EL-DR1220-01

W370 x H170mx L1020mm
Includes fitting hardware.

Van Racking shown with two optional extra doors.

Flat hem folded edges on our shelves protect your workers and strengthen the shelves.

Door have an all-metal lock mechanism and hinge which ensures security and reliability.

The lock has full adjustability of the locking lever.

Optional Cable Roll Holder.

EcoLite® *by Oliver Engineering*
Quality Vehicle Accessories

ABOVE:
RV Ute Racking shown mounted to RV EcoLite 1400 twin drawers. Where applicable Van Racking may be floor mounted with modifications to the length of the racking legs. Please check the measurements for your application.

RV ECOLITE® UTE RACKING

Our ***NEW*** ECOLITE flat pack UTE racking is both economical and light. While it is similar in use to what's out there in the market place the difference is it has more robust design, hem folding for strength and safety and comes with quality fittings and instructions.

The Kit has three shelves and two end panels and comes with a universal fitting kit.

The new Ute Racking from RV provides an affordable user friendly option for tradesman that need upright organised storage for their many parts and trade tooling. The Rack is orientated so it is accessible from the side window of the canopy but can also be accessed from the rear, particularly the bottom shelf.

The Rack is designed to sit on the RV EcoLite drawer systems for most popular Dual Cabs Utes and comes with a universal fitting kit to secure to the drawers, leaving the side of the drawers open for storage and access for other items. They can also be floor mounted.

A set up similar to the above drawer rack combo in a dual cab with a canopy is a typical fitting example.

They are suitable for Fischer plastic bins.

WE RECOMMEND YOU CHECK YOUR CLEARANCE HEIGHT PRIOR TO PURCHASE.

RV ECOLITE® CARGO SLIDE

ABOVE: Ford Transit Van with Cargo Slide L1400 x W980mm opening through side door.

LEFT: Ford PX Ranger with Cargo Slide L1400 x W1050mm.

Rugged all-steel construction, like all RV products, to keep your business on the move.

Fitted with 4 stainless steel adjustable tie down points as standard, our Cargo Slide makes securing your load easy.

The Cargo Slide extends a full 1020mm making access a breeze.

- All-steel roller bearing runners will handle up to a 400kg load.
- Incremental slide extension locking points allow the tray to be extended as far as necessary and ensures the tray won't roll back if you are parked on an incline.
- Thick UV stable carpet top ensures your cargo is not damaged.
- The Cargo Slide will easily mount to any solid flat surface, including your ute tray floor.
- Prevent work place injuries by allowing easier access to your cargo.

CARGO SLIDE – RRP $1249.00 each incl. GST
P/Ns: EL-CS-1498 / EL-CS-1415
Load Rating: 400kg

How's this for storage access?

The RV-FS-3.5 PREMIUM Heavy duty fridge slide is 1400mm long and with 100% full extension gives you easy access to anything you care to fasten onto it! The slide tray is pre-slotted and comes complete with adjustable tie down brackets to get you going.
Shown here with the popular Waeco CFX 75.

RV-FS-3.5 Slide
RRP $749.00

AUSTRALIAN MADE

RV Premium STORAGE SOLUTIONS SLIDES – *RV PREMIUM Heavy duty freestanding slides*

These Premium slides have full ball bearing 250kg rated runners and featuring our unique travel lock.
The unique Travel Lock mechanism prevents any slide tray movement during rough travel which can cause damage to the slide runner's built in lock-in, lock-out mechanism. This makes our fridge slides virtually bullet proof.
