NOTES: We can build 1400L drawers for the side door BUT customer will need to measure it to be sure and it will overhang the steps.				

## EXTRA NOTES:

PAGE 123 - 200 SERIES GXL, VX, SAHARA (2012+) w/240v Outlet pass. side.

No extra drilling required - Use mounting points already there

Fascia is roughly 145-150mm wide

50Lt Water Tank will fit behind an 85Lt Bushman Upright Fridge in an Easy Access Combo 1

PAGE 124 - 300 SERIES GX, SAHARA ZX, GR SPORT (2021+)

50LT Water Tank will NOT fit behind an 85LT Upright Bushman Fridge in an EAC if it is on top of a slimline drawer! Must be pushed back 30mm to clear the door, which cannot be achieved with the slimline in place. Tilt Slide Combo 1 will just fit on a half drawer standard height but MUST have a flat top.

PAGE 125 - 300 SERIES GXL, VX, SAHARA (2021+)

**PLEASE  
NOTE:**

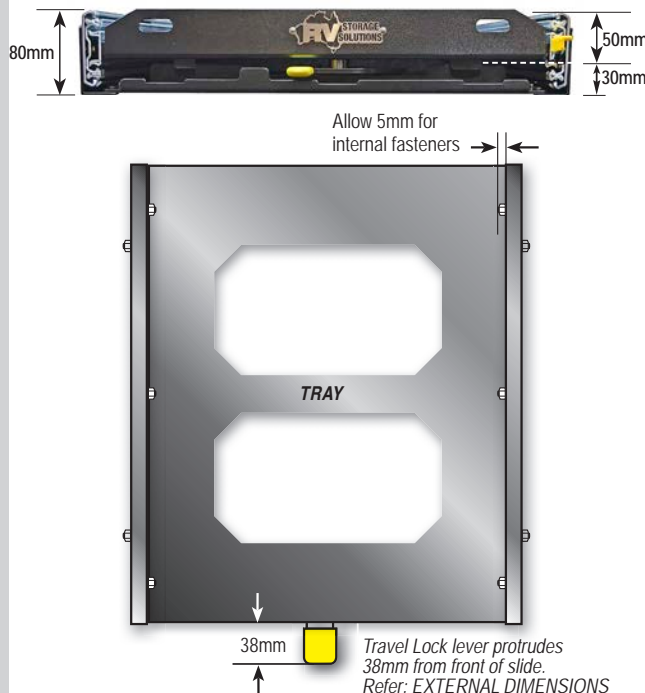

Although the fridge size may indicate that they will fit on a particular RV Storage Solutions fridge slide, allowance must be made for a cargo barrier, top shelf, the incline of the seat and rear doors.  
 If the fridge is to go on top of a twin drawer system the height of the drawer system must be taken into account.
